Atlanta, Georgia – On February 16, 2017 the Georgia Latino Alliance for Human Rights (GLAHR) will be convening outside of the Atlanta ICE Building to denounce the raids that escalated last week and continue to terrorize Georgia’s immigrant communities. Residents of Americus, Moultrie, August (Grovetown), Cordele, Savannah and Buford HWY (Brookhaven), report ICE agents performing indiscriminate sweeps and picking up around 100 people from the Atlanta area.

The Georgia Latino Alliance for Human Rights calls on local officials to take active measures to protect their residents from targeting by ICE and urges the community to take part of the ICE Free Zone Campaign to continue the fight against the separation of families. The ICE Free Zone campaign aims to create neighborhoods of informed community members who know about their rights and how to defend them.
